

IN OCTOBER

Celebrate Manufacturing

Join Northern CA Manufacturers

Promote Manufacturing in October

For the entire month of October, starting on Friday, October 3 - National Manufacturing Day, SME Sacramento Valley and the Sierra College Center for Applied Competitive Technologies (CACT) are working with manufacturers to host events that:

- Promote manufacturing as a valued and desirable component of local, regional and statewide economies
- Highlight high school and college pipelines that are building the skilled workforce of tomorrow

Start Planning Now

- Offer lectures and demonstrations
- Provide hands-on activities for children
- Host tours for students and/or the community
- Invite your employees' families & friends to an open house
